

Experience Egypt and Cruise the Nile With Mac and Debbie Brunson March 13-21, 2024

Join Pastor Mac and Debbie Brunson on a fabulous Egyptian tour! Egypt goes back in human history as far as man himself. It is truly one of the ancient cradles of civilization. What the Egyptians were doing before Christ amazes scientists, engineers, and mathematicians of our day. Enjoy time with us as we travel to the mysterious world of the pharaohs, pyramids, famous tombs, and temples. Egypt was also the safe destination of Joseph, Mary and the Christ child during the days of the rage of Herod. Here one of the earliest churches was founded. So much of your Old Testament involves this land of desert and Nile. Join us on this incredible journey!
